

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is wrong, and a disservice to the public.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Airing single sided coverage of an issue does not serve the public interest. Having national offices usurp local control of programing also does not serve public interest.

Sinclair's actions show why we need to strengthen media ownership rules, and oversight. Thank you.
